Hi Phil,

Thanks so much for those kind words--I have looked at the paper and it looks good, I think.

Rick has asked for a copy; Michael has not yet seen it, so what I will do is send him a clean draft (I made a couple of minor grammar/spelling changes--you can compare the revisions to your 7-10-10 version and let me know if they are OK). I am sure Rick will have comments, but I agree that it's often easier to review a clean copy.

Happy dipnetting. Wish I were there.

Michael,

I have recalled my leave request for next week and submitted new forms. The PI for my RARE proposal will be in town next week and would like to visit some field sites. So I will be working on Monday and Tuesday afternoons and all day on Thursday. Otherwise it is dipnet season so I will put putting up our years supply of salmon.

Phil
